Do you want to be a Sales Wolf or a Top Sales Dog?

The Sales Wolf desperately chases customers every moment of the day. Sell! Sell! Sell! Customers are sceptical towards the Sales Wolf and will avoid doing business as much as possible.

Whereas the Sales Dog has customers waiting on his doorstep, asking to buy. These customers are convinced doing business with the Sales Dog will help them to be more successful.

Apply the right mindset, so you become the Top Sales Dog in your industry, region or division by exceeding in trust and value.

Yuri van der Sluis is an international author, speaker and trainer with over 20 years of sales experience. Yuri has trained more than 10,000 sales professionals, transforming them into Top Sales Dogs, by placing the customer at the heart of their selling process.
